Dear Mr. Feight:

American Gilsonite Company, Bonanza, Utah, has submitted a mining plan to continue mining through its Federal gilsonite lease U-073071, located 1½ miles southwest of Bonanza.

We have scheduled an onsite inspection for January 5, 1977, at 8 a.m., at the BLM office in Vernal, Utah. If you or one of your representatives can attend on so short notice, it will be appreciated.

A copy of American Gilsonite's mining plan is enclosed for your use together with a copy of the 43 CFR 231 regulations under which the plan falls from a Federal Government standpoint.

If you have any comments or questions, please call.

Sincerely yours,

Allen L. Vance
